Ubufakazi test pack: 70 fictional scam cases

For judges and testers. 50 cases in **English**, 5 each in **isiZulu**, **isiXhosa**, **Afrikaans** and **Sesotho**, covering every scam type. Everything is fictional: "DemoBank" is not a real bank and every document is stamped SAMPLE. Non-English chats are draft translations.

How to test a case

1. Open ubufakazi.netlify.app and click **Build a case file**.
2. Click **Upload chat export (.txt)** and choose the case's chat file.
3. Click **Add files** and choose the case's proof-of-payment PDF(s).
4. Optional: set **Statement language** to the case's language.
5. Click **Build my case file** and compare with the table below.

Use **Reset demo data** (bottom of the site) to clear reports you added.
