Every file in this kit is FICTIONAL and made for the Ubufakazi demonstration. People, phone numbers, accounts and websites are invented. Ubuntu Trust Bank, TechHub Stores and Karoo Furnishers are not real.

How to use: open ubufakazi.onrender.com/report (or the Telegram bot), choose the category that matches the folder, and attach the files from that folder. Voice notes (MP3) and videos (MP4) are accepted; with AI reading switched on, voice notes are transcribed and marked as unverified.

Abuse and threat samples are deliberately non-graphic. In a real emergency call 10111. Gender-based violence: GBV Command Centre 0800 428 428.
